

## All Star by Smash Mouth

Somebody once told me the world is gonna roll me  
I ain't the sharpest tool in the shed  
She was lookin' kinda dumb with her finger  
And her thumb in the shape of an L on her forehead

Well the years start coming, and they don't stop coming  
Fed to the rules and I hit the ground running  
Didn't make sense not to live for fun  
Your brain gets smart but your head gets dumb

So much to do, so much to see  
So what's wrong with taking The Backstreet?  
You'll never know if you don't go  
You'll never shine if you don't glow

Hey now, you're an all star get your game on, go play  
Hey now, you're a rock star get the show on, get paid  
And all that glitters is gold  
Only shooting stars break the mold

It's a cool place and they say it gets colder  
You're bundled up now wait till you get older  
But the meteor men beg to differ  
Judging by the hole in the satellite picture

The ice we skate is getting pretty thin  
The water's getting warm so you might as well swim  
My world's on fire, how about your's?  
That's the way I like it and I'll never get bored

Hey now, you're an all star get your game on, go play

Hey now, you're a rock star get the show on, get paid  
All that glitters is gold  
Only shooting stars break the mold

Hey now, you're an all star get your game on, go play  
Hey now, you're a rock star get the show on, get paid  
And all that glitters is gold  
Only shooting stars

Somebody once asked could I spare some change for gas  
I need to get myself away from this place  
I said, "Yep, what a concept I could use a little fuel myself  
And we could all use a little change"

Well, the years start coming and they don't stop coming  
Fed to the rules and I hit the ground running  
Didn't make sense not to live for fun  
Your brain gets smart, but your head gets dumb

So much to do, so much to see  
So what's wrong with taking The Backstreet?  
You'll never know if you don't go  
You'll never shine if you don't glow

Hey now, you're an all star get your game on, go play  
Hey now, you're a rock star get the show on, get paid  
And all that glitters is gold  
Only shooting stars break the mold  
And all that glitters is gold  
Only shooting stars break the mold

I was born a hundred thousand years ago. (YEARS AGO)  
And there's nothing in this world I do not know. (DO NOT KNOW)

And I'll lick the guy who says it isn't so. (IT ISN'T SO)

Chorus:

It's a lie; It's a lie ; Ship ahoy, ship a-hey, ship a hi-hi-hi!  
Oh, I've sailed the seven seas in my dirty dungarees,  
But I never, ever, ever saw a mermaid. (A MERMAID)

I was there when Ceasar crossed the Rubicon. (RUBICON)

## What can make a Hippopotamus Smile?

What can make a hippopotamus smile?  
What can make him walk for more than a mile?  
It's not a party with a paper hat.  
Or cake and candy that will make him fat.  
That's not what hippos do!  
They ooze in the gooze without any shoes.  
They wade in the water 'til their lips turn blue.  
That's what hippos do!  
What can make a hippopotamus smile?  
What can make him walk for more than a mile?  
It's not the song on the old violin.  
Or listenin' to the whistlin' wind.  
That's not what hippos do!  
They ooze in the gooze without any shoes.  
They wade in the water 'til their lips turn blue.  
That's what hippos do!

## **The Princess Pat**

This is a repeat song....  
The Princess Patt,  
She sailed across,  
The seven seas,  
She sailed across,  
The channel two,  
and she took with her,  
A rig-a-bam-boo!

A rig-a-bam-boo,  
Now what is that,  
It's something made,  
By the Princess Patt,  
Its red and gold,  
And Purple too,  
That's why it's called,  
A rig-a-bam-boo!

Now Captain Jack,  
Had a mighty fine crew,  
He sailed across,  
The channel two,  
But his ship sank,  
and yours will too,  
If you don't take,  
A rig-a-bam-boo!

A rig-a-bam-boo,  
Now what is that,  
It's something made,  
By the Princess Patt,  
It's red and gold,  
and purple too,  
That's why it's called,  
a rig-a-bam-boo!

## **Vespers**

Sing to "Oh Christmas Tree"  
Very Solemn

1st Verse:

Softly falls the light of day,  
As our campfire fades away.  
Silently each scout should ask,  
Have I done my daily task?

Have I kept my honor bright?  
Can I guiltless sleep tonight?  
Have I done and have I dared,  
Everything to be prepared?

2nd Verse:

Listen Lord oh listen Lord,  
As I whisper soft and low.  
Bless my Mom and bless my Dad.  
These are things that they should know.

I have kept my honor bright.  
The Oath and Law have been my guide.  
Mom and Dad this you should know.  
Deep in my heart I love you so.

## The Second Story window Song

### Lyrics

(Chorus)

The window, the window  
the second story window  
with a heave and away we go  
they threw it out,  
the window.....

Verses

Mary had a little lamb  
its fleece was white as snow  
and every where that Mary went  
she threw it out  
the window.....

the window  
the second story window  
with a heave and away we go  
they threw it out,  
the window.....

Humpty Dumpty sat on a wall  
Humpty dumpty had a great fall  
and all the kings horses  
and all the kings men  
threw him out, the window...

the window  
the second story window  
with a heave and away we go  
they threw it out,  
the window.....

Jack and Jill went up the hill  
to fetch a pale of water

Jack fell down and broke his crown  
and Jill threw him out the window..

the window,  
the second story window  
with a heave and away we go  
they threw it out,  
the window.....

Hey diddle, diddle  
the cat and the fiddle  
the cow jumped over the moon  
the little dog laughed to see such fun  
that he threw them out the window....

the window,  
the second story window  
with a heave and away we go  
they threw it out,  
the window.....

Hickory dickory dock  
the mouse ran up  
the clock,  
the clock struck one, the mouse ran down  
so we threw it out the window.....

the window  
the second story window  
with a heave and away we go  
they threw it out,  
the window.....

(Add in any other nursery rhymes the Cubs  
want.....the list is endless)

### **The Pirate Song**

When I was one I shot a gun,  
before i went to sea,  
I climbed aboard a pirate ship  
the captain said to me,  
were going this way, that way, forward,  
backward  
over the rolling sea  
a bottle of coke to soothe my throat,  
and thats the life for me

Chorus

When i was two i got the flu  
when i was three i scraped my knee  
When I was four my life was a bore  
When I was Five i took a dive  
When I was Six i got some kicks  
When I was Seven i went to heaven  
When i was eight i was running late  
When I was nine the ship was mine

#### **Action**

During I climbed act like your climbing the ship,  
when the captain said to me hand solute

## **Herman the worm**

I was sittin' on my fencepost, chewing my

Playin' with my yo-yo, wee-oo! wee-oo!

And he was this big (make a motion as if  
measuring a tiny worm)  
And I said: "Herman? What happened?"  
"I just ate a tiger scout."

I was sittin' on my fencepost, chewing my

Playin' with my yo-yo, wee-oo! wee-oo!

And he was this big (make a motion as if  
measuring a little bit bigger worm)  
And I said: "Herman? What happened?"

## Johnny Appleseed

The Lord is good to me,  
And so I thank the Lord,  
For giving me the things I need,  
The sun and the rain,  
And the apple seed.  
The Lord is good to me.  
And every seed that grows  
Shall grow into a tree.  
And one day soon  
There'll be apples there  
For everyone in the world to share.  
The Lord is good to me.
